CIGARETTES

of IMPORTED and DOMESTIC
tobaccos—Blended

**There's more to this
cigarette than taste**

You bet! Because Chesterfields, besides pleasing the taste, have stepped in with a brand-new kind of enjoyment for smokers—

Chesterfields hit the smoke-spot, they let you know you are smoking—they "Satisfy"!

And yet, they're MILD!

The blend is what does it—the new blend of pure, natural imported and Domestic tobaccos. And the blend can't be copied.

Next time, if you want that new "Satisfy" feeling, say Chesterfields.

German Loyalty

Commenting upon the letter in which President Wilson told Representative Dyer of Missouri of the confidence in the loyalty of citizens of German blood. The New Yorker Staats-Zeitung says:

"In his answer to Mr. Dyer, President Wilson struck a chord whose tone has been painfully missing up to then. Thus Mr. Wilson has shown that he well understands the mental torments of the German-Americans in the dreadful conflict, and that he knows how to appreciate their patriotism.

"The great mass of the German-Americans will be grateful to the President for these words, coming from his heart, especially now that low political agitators are at work again trying to stir up the people's passions. And this makes it all the more regrettable that there are still German-Americans who do not want to realize the seriousness of the situation. As insignificant as they may be in numbers and as useless and silly as is their action, they do not improve the already difficult position of all those who are calmly doing their duty and take their oath

of allegiance to the United States as a serious thing.

"And one of the first instructions that the Government issued, following the declaration of war, was this: 'Keep quiet and obey the law.' He who follows this advice can also lay claim to the protection of the laws of our country."

OLD LOOKS

(By Dr. N. B. Cook.)

Persons suffering from too much uric acid in the system frequently look older than they should. They age faster and the appearance of gray hair or baldhead in early years is, indeed, often a sign of uric acid. The face appears lean and haggard, lines and wrinkles appearing in young men or women.

The best way to combat this premature age and the obstruction to the arteries and faulty circulation is of the simplest. Drink copiously of pure water between meals. Obtain at any drug store a small package of Anuric which is to be taken before meals, in order to expel the uric acid from the system. The painful effects of backache, lumbago, rheumatism, gout, due to uric acid in the blood should quickly disappear after treatment with Anuric.

WELL KNOWN WOMAN

Kansas City, Mo.—"Dr. Pierce's Favorite Prescription" is an exceptionally wonderful tonic for the prospective mother as I know by actual personal experience. Four of my children were 'Pierce' babies and they were stronger and healthier than my first babies (before I knew of 'Favorite Prescription').

"My husband always praised the 'Golden Medical Discovery'. He overstrained at his work and was in constant pain and distress. He could neither lie down nor get up by himself. After he started to take the 'Discovery' he improved greatly and in less than two months was perfectly well and strong again."—Mrs. CARRIE IRELAND, 2123 Bellefontaine Ave.
